

Use of Provider Numbers

Health Fund Provider numbers are issued to individual Massage Therapists on the basis of their qualifications and Association membership status. To maintain provider accreditation with the private health funds, Massage Therapists must also hold a current Senior First Aid Certificate, Professional Indemnity and Public Liability Insurance, and undertake ongoing education.

The health fund provider numbers issued to an individual Massage Therapist are not transferable to another practitioner.

Misuse of health fund provider numbers is misleading and deceptive conduct and is punishable by law.
