ABOUT THE WORKSHOPS

Tricky Tarsals (Saturday 6 May)

Presented by Jenny Richardson

The feet are the base for the rest of the body. Do you know how to really get someone's whole foot moving again, not just the range of motion at the ankle? Learn how to assess the movement of the foot and ankle, mobilise the joints and work on fascial densifications that restrict ROM. Understand how the patterns of movement of the foot affect the knee, hip and upper body.

Feet are fun – you can see a lot of change in a short time if you know where to go to find the restrictions.

Working nerves of the lower limb (Sunday 7 May)

Presented by Colin Rossie

Often under-diagnosed or ascribed to musculoskeletal or fascial structures, possibly up to 25% of complaints that present in the remedial massage setting may be neural in origin. Aside from obvious radicular pains and neuropathies like sciatica, working nerves alone can often decisively and effectively treat other lower limb conditions, such as plantar fasciitis and some compartment syndromes.

Working the femoral or obturator nerves can treat even some groin and knee pains. This workshop draws on the neural manual therapy work of physiotherapists David Butler and Michael Shacklock, osteopath Jean Pierre Barral and Rolfer Don Hazen.

ABOUT THE PRESENTERS

Jenny Richardson

Jenny is the owner of Canberra Myotherapy and has been practising massage and myotherapy for over 10 years. She is passionate about understanding how the body works and using this to help clients with chronic pain. Jenny is a perpetual learner and has brought together material from a range of sources for her workshop "Tricky Tarsals".

Colin Rossie

Colin Rossie is a Certified Advanced Rolfer®, Rolf Movement Integration practitioner, remedial massage therapist and Fascial Fitness instructor. He is a life member of AMT and a foundation member of the Fascia Research Society. In addition to ongoing Rolfing and remedial massage training, his continuing education has included visceral manipulation; neural mobilisation with physiotherapists, osteopaths and Rolfers; Fascial Fitness Training; and Rolf Movement training.

Registration info

Members who do not wish to attend the workshops are warmly invited to attend the AGM and networking event on Saturday evening, commencing at 5.00pm. There is no fee to attend this portion of the program but we do need you to RSVP. Please telephone or email head office if you wish to attend the AGM only.
